A little more about APMP

- APMP has 3,413 members across the planet
- 16 chapters in the US, and 7 more internationally (just chartered a chapter in South Africa!)
- 22nd International Conference in Denver, CO, May 31 – June 3, 2011

Learn and have fun!

- Professional development is important to our profession
- If you are not involved in a local chapter, join one and help spread the word about APMP
- We urge you to attend local, regional, and national conferences (and think about presenting)
- If you are an accredited APMP professional, today's conference is worth 10 CEU credits
 - Your SPAC CEU Certificate is in your conference bag
- Let's get this party started ...
